# I PROMISE YOU A ROSE GARDEN

Cut a template for numbers 1 thru 3. Cut out each piece on the bias as indicated. Fold in half length wise. Stitch around raw edges by hand or machine. Draw up to gather petal.

Start rose center by rolling # 1 around your finger and stitching together over gathered stitches.

Overlap # 2 and continue around stitching and shaping as you go.

Add # 3 in the same manner. Work the fabric to simulate a rose and tack wherever you think would hold or shape the petals to your liking.

REMEMBER...IT'S YOUR ROSE GARDEN
